RE: *In the Matter of Lifeline and Link Up Reform and Modernization*, WC Docket No. 11-42, **Notice for Forbearance from Lifeline Broadband Internet Access Service Requirements**

Dear Ms. Dortch,

Pursuant to the *Lifeline Modernization Order* (“Order”),¹ Missouri RSA No. 5 Partnership (“MO5”) hereby avails itself of the Federal Communications Commission’s (“FCC” or “Commission”) grant of forbearance from the requirement to provide broadband Internet access service (“BIAS”) as a Lifeline service. MO5 may, however, voluntarily decide to offer and receive reimbursement for providing Lifeline-supported BIAS in all or portions of the area in which it is designated an Eligible Telecommunications Carrier (“ETC”). Pursuant to the guidance provided in Public Notice DA 16-1316,² MO5 provides the following information:

ETC Name: Missouri RSA No. 5 Partnership d/b/a Chariton Valley Wireless

ETC Designation Order: Application of Missouri RSA No. 5 Partnership for Designation as a Telecommunications Company Carrier Eligible for Federal Universal Service Support Pursuant to § 254 of the Telecommunications Act of 1996, Report and Order, Case No. TO-2006-0172, Missouri Public Service Commission (Issued: September 21, 2006); Application of Missouri RSA No. 5 Partnership for Designation as a Telecommunications Company Carrier Eligible for Federal Universal Service Support Pursuant to § 254 of the Telecommunications Act of 1996, Order Granting Motion To Amend Report And Order, Case No. TO-2006-0172, Missouri Public Service Commission (Issued: March 1, 2007; Effective: March 11, 2007).

¹ See *Lifeline and Link Up Reform and Modernization et al.*, WC Docket No. 11-42 et al., Third Report and Order, Further Report and Order, and Order on Reconsideration, 31 FCC Rcd 3962 (2016) (“*Lifeline Modernization Order*”).

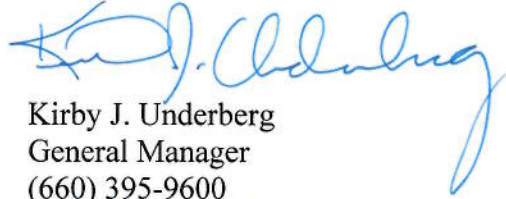

² Public Notice, “Wireline Competition Bureau Provides Guidance Regarding Filing Procedures For Eligible Telecommunications Carriers Seeking To Invoke Forbearance Granted By Lifeline Modernization Order,” DA 16-1316 (rel. Nov. 22, 2016).

Type of Designation: Competitive Eligible Telecommunications Carrier receiving frozen, phased-down high-cost support.

Forbearance Area: MO5 avails itself of blanket forbearance throughout the entire geographic area in which it is designated an ETC, which includes Chariton, Linn, Macon, Randolph, and Shelby counties in Missouri. Attachment A is an Excel document listing the counties and associated FIPS codes for the areas where MO5 invokes the Lifeline BIAS forbearance. MO5 has made every effort to comprehensively list all areas where it is an ETC. In the event that any areas were inadvertently omitted from Attachment A, MO5 reserves the right to supplement this filing to make administrative corrections to Attachment A.

Please contact our FCC counsel, Greg Whiteaker (202-600-7274) or Robin Tuttle (202-827-0667), if you have any questions regarding this notice.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kirby J. Underberg", is written over the typed name and title.
